

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Babbitt, Don	X	Associate - Automotive Technology & Management	12/2007	WyoTech	5	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Barnes, Matthew	X	Associate - Diesel Technology & Management	12/2015	WyoTech	9	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Bolt, Jimmy	X	Diploma - Advanced Diesel Technology	12/2004	WyoTech	15	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Power Trains
Campbell, Kyle	X	Associate - Diesel Technology & Management	3/2010	WyoTech	17	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Cavanaugh, Jacob	X	Diploma - Advanced Diesel Technology	3/2004	WyoTech	17	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Caze, Timothy	X	Associate - Specialized Technology	03/2008	WyoTech	12	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Duncan, Brian	X	Bachelor of Arts - Christian Education	05/1999	Bryan College	8.5	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Communications, Management Concepts, Human Resources Management, Shop Management

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Durfee, Howard	X	Work Experience		N/A	12	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Engle, Cody	X	Diploma - Advanced Diesel Technology	5/2015	WyoTech	5	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Escolas, David	X	Associate - Diesel Technology	9/1988	WyoTech	6	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
		Bachelor of Business Administration - Finance	5/1983	University of Wyoming		
Feltz, Wayne	X	Work Experience		N/A	23	Basic Street Rod, Advanced Street Rod, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Basic Engine Management Systems, Drivability Diagnostics, Chassis, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Fluid Power & Electrical Systems, Engines, Engine Management Systems & Refrigeration, Power Trains, Advanced Diesel I, Advanced Diesel II, Performance Mechanical, Performance Electronics
Fischer, Mike	X	Associate - Collision/Refinishing & Upholstery	02/1998	WyoTech	16.33	Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II
Fly, Devin	X	Associate - Automotive Technology & Management	08/1996	WyoTech	22	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Gemmill, Levi	X	Associate - Automotive Technology	09/2009	WyoTech	11	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Gibbens, Michael	X	Work Experience		N/A	7	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Harris, Derek	X	Associate - Collision/Refinishing & Instructional Technology	07/2009	WyoTech	10.17	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II
Heien, Gordon	X	Associate - Police Science	05/1979	Western Iowa Tech Community College	15	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Management Concepts, Human Resources Management, Shop Management
Jacobs, Katherine	X	Bachelor of Business Administration - Finance	5/2017	Colorado State University	5	Accounting and Financial Management, Computers and Business Applications, Communications, Management Concepts, Human Resource Management, and Shop Management.
Lee, Mitch	X	Bachelor of Science - Technology/Engineering Education Associate of Science Diploma - Welding Technology	5/2019 12/2017 5/2015	University of Wisconsin-Stout University of Wisconsin-Rock County Blackhawk Technical College	9	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Accounting and Financial Management, Computers and Business Applications, Communications, Management Concepts, Human Resource Management, and Shop Management.
Lentz, Laddie	X	Work Experience		N/A	23	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Collision Repair I & II, Performance Mechanical, and Performance Electronics.
McDonald, Charles	X	Associate - Business Management Concentration	07/2015	Everest University	18.92	Trim & Upholstery I, Trim & Upholstery II, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Street Rod, Advanced Street Rod
McDonald, HL	X	Associate - Specialized Technology & Management in Collision/Refinishing Diploma - Street Rod/Custom Fabrication	9/2010 12/2010	WyoTech	8	Trim & Upholstery I, Trim & Upholstery II, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
McFadden, Michael	X	Associate - Automotive & Diesel Technology	06/2001	WyoTech	10	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
McGowan, Amber	X	Diploma - Advanced Diesel Technology	12/2007	WyoTech	9	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II
Meek, Jay	X	Work Experience		N/A	20	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Muhsman, Mark	X	Associate - Automotive & Instructional Technology	08/2008	WyoTech	6.83	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, ATV Mechanical and PWC, ATV Electrical and Snowmobile, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Neely, Kyle	X	Diploma - Motorsports Chassis Fabrication w/Automotive Technology	9/2009	WyoTech	13	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Newman, Brandon	X	Associate - Specialized Technology & Management	03/2014	WyoTech	9	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Management Concepts, Human Resource Management, Shop Management
Nunley, Shawn	X	Associate - Collision/Refinishing & Upholstery	09/1998	WyoTech	16.25	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Ogden, Roger	X	Associate - Specialized Technology in Automotive Technology w/Business Management	12/2014	WyoTech	7	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
Ortega, Michael	X	Diploma - Automotive Technology	04/2011	WyoTech	7	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
		Diploma - Collision/Refinishing with Motorsports Chassis Fabrication	06/2012			
Paul, Eric	X	Associate - Auto & Instructional Technology Associate - Diesel & Instructional Technology	3/2011 09/2011	WyoTech	12.58	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Pederson, Jasen	X	Work Experience		N/A	24	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Robinson, Jeff	X	Diploma - Collision/Refinishing Technology	1/1986	WyoTech	35	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Roth, Mark	X	Associate - Automotive Service	05/1978	North Iowa Area Community College	9.08	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Shuster, Bryan	X	Associate - Auto Mechanics	06/1977	Southeast Community College	21	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II, Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Steele, Todd	X	Diploma - Diesel Technology w/Motorsports Chassis Fabrication	06/2013	WyoTech	6	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II
Steinbock, Bryan	X	Associate - Diesel & Instructional Technology	02/2011	WyoTech	7.42	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Svalina, Randy	X	Associate - Collision/Refinishing & Upholstery	10/1998	WyoTech	13.67	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Street Rod, Advanced Street Rod, Performance Mechanical, Performance Electronics
Trent, Allen	X	Diploma - Diesel Powered Equipment	11/2013	Tennessee College of Applied Technology	14	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II.
Williams, Brad	X	Diploma - Motorsports Chassis Fabrication w/Diesel Technology	6/2010	WyoTech	13	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Woodburn, Melissa	X	Diploma - Motorsports Chassis Fabrication w/Collision/Refinishing Technology Associate - Art		WyoTech Butler County Community College	6	Collision Repair I & II, Refinishing I & II, Basic Street Rod, Advanced Street Rod, and Motorsports Chassis Fabrication I & II.
Woodburn, Scott	X	Work Experience		N/A	20	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, and Motorsports Chassis Fabrication I & II.
Zimmerman, Jerome	X	Diploma - Collision/Refinishing Technology w/Street Rod and Custom Fabrication	6/2001	WyoTech	19	Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
