

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Alexander, Nile	X	Diploma - Collision/Refinishing & Upholstery Technology with Motorsports Chassis Fabrication and Street Rod & Custom Fabrication	2022	WyoTech	10	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain, Chassis
Babbitt, Don	X	Associate - Automotive Technology & Management	12/2007	WyoTech	5	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
Barnes, Matthew	X	Associate - Diesel Technology & Management	12/2015	WyoTech	9	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Beatty, Matthew	X	Diploma - Automotive Technology	12/2000	WyoTech	16	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electrical
Bolt, Jimmy	X	Diploma - Advanced Diesel Technology	12/2004	WyoTech	15	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Power Trains
Brehm, James	X	Work Experience	N/A	N/A	26	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain, Chassis
Caze, Timothy	X	Associate - Specialized Technology	03/2008	WyoTech	12	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Chai, Jeff	X	Diploma - Automotive Technology Bachlor in Artes and Science - Education and Health Sciences	2000 1995	Sequoia Institute University of Wyoming	25	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain, Chassis
Chelsa, Christopher	X	Associate - Automotive Technology & Management	2022	WyoTech	16	Drivetrain Systems, Chassis, Collision Repair I & II, Performance Mechanical, and Performance Electronics, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Basic Street Rod, Advanced Street Rod
Clark, Thomas	X	Diploma - Automotive Technology	10/1989	Arizona Automotive Institute	30	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Crawford, Cameron	X	Associate - Automotive Technology & Management	2013	WyoTech	9	Basic Engine Managment Systems, Drivability Diagnostics, Drivetrain, Chassis
Davies, Timothy	X	Diploma - Diesel Technology	1986	WyoTech	30	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain, Chassis
Daw, Matthew	X	Work Experience	N/A	N/A	18	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Duncan, Brian	X	Bachelor of Arts - Christian Education	05/1999	Bryan College	9	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Communications, Management Concepts, Human Resources Management, Shop Management, Accounting and Financial Management, Computers and Business Applications
Durfee, Howard	X	Work Experience	N/A	N/A	12	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Escolas, David	X	Associate - Diesel Technology Bachelor of Business Administration - Finance	9/1988 5/1983	WyoTech University of Wyoming	6	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Feltz, Wayne	X	Work Experience	N/A	N/A	23	Basic Street Rod, Advanced Street Rod, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Basic Engine Management Systems, Drivability Diagnostics, Chassis, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Fluid Power & Electrical Systems, Engines, Engine Management Systems & Refrigeration, Power Trains, Advanced Diesel I, Advanced Diesel II, Performance Mechanical, Performance Electronics

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Fischer, Mike	X	Associate - Collision/Refinishing & Upholstery	02/1998	WyoTech	16	Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II
Fly, Devin	X	Associate - Automotive Technology & Management	08/1996	WyoTech	22	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Gemmill, Levi	X	Associate - Automotive Technology	09/2009	WyoTech	11	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Gorman, Dave	X	Associate - Occupational Studies	2022	WyoTech	37	Performance Mechanical, and Performance Electronics, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Drivetrain, Chassis
		Vertificate of Completion - Automotive Technology	1985	Casper College		
Haas, Zachry	X	Diploma - Street Rod & Custom Fabrication w/ Automotive Technology	2011	WyoTech	11	Performance Mechanical, and Performance Electronics, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Drivetrain, Chassis
Harris, Derek	X	Associate - Collision/Refinishing & Instructional Technology	07/2009	WyoTech	10	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II
Heien, Gordon	X	Associate - Police Science	05/1979	Western Iowa Tech Community College	15	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Management Concepts, Human Resources Management, Shop Management
Jones, Cody	X	Diploma - Welding and Machine Tooling	2017	Eastern Wyoming College	25	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Lee, Mitch	X	Bachelor of Science - Technology/Engineering Education	5/2019	University of Wisconsin-Stout	9	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Accounting and Financial Management, Computers and Business Applications, Communications, Management Concepts, Human Resource Management, and Shop Management.
		Associate - Science	12/2017	University of Wisconsin-Rock County		
		Diploma - Welding Technology	5/2015	Blackhawk Technical College		
Lentz, Laddie	X	Work Experience	N/A	N/A	23	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Collision Repair I & II, Performance Mechanical, and Performance Electronics.
McDonald, Charles	X	Associate - Business Management Concentration	07/2015	Everest University	19	Trim & Upholstery I, Trim & Upholstery II, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Street Rod, Advanced Street Rod
McFadden, Michael	X	Associate - Automotive & Diesel Technology	06/2001	WyoTech	10	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
McGowan, Amber	X	Diploma - Advanced Diesel Technology	12/2007	WyoTech	9	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II
Mead, Tyler	X	Associate - Diesel Technology	2009	WyoTech	13	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Meek, Jay	X	Work Experience	N/A	N/A	20	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Metzger, Bill	X	Associate - Diesel Technology	04/1990	Universal Technical Institute	31	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Muhsman, Mark	X	Associate - Automotive & Instructional Technology	08/2008	WyoTech	7	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, ATV Mechanical and PWC, ATV Electrical and Snowmobile, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Neely, Kyle	X	Diploma - Motorsports Chassis Fabrication w/Automotive Technology	9/2009	WyoTech	13	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Newman, Brandon	X	Associate - Specialized Technology & Management	03/2014	WyoTech	9	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Management Concepts, Human Resource Management, Shop Management, Accounting and Financial Management, Computers and Business Applications, Communications
Nunley, Shawn	X	Associate - Collision/Refinishing & Upholstery	09/1998	WyoTech	16	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Ogden, Roger	X	Associate - Specialized Technology in Automotive Technology w/Business Management	12/2014	WyoTech	7	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
Olson, Michael	X	Work Experience	N/A	N/A	15	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Palmer, Rory	X	Bachelor of Science and Business Administration - Industrial Technology	05/1994	Colorado State University	20	Performance Mechanical, Performance Electronics, Accounting and Financial Management, Computers and Business Applications, Communications, Management Concepts, Human Resources Management, Shop Management
Paul, Eric	X	Associate - Diesel & Instructional Technology Associate - Auto & Instructional Technology	09/2011 03/2011	WyoTech WyoTech	13	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Payne, Weston	X	Work Experience	N/A	N/A	7	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Pederson, Jasen	X	Work Experience	N/A	N/A	24	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Porter, Nicole	X	Diploma - Advanced Diesel Technology	2014	WyoTech	11	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Rautio, Dylan	X	Associate - Automotive Technology & Management	12/2010	WyoTech	10	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis
Robinson, Jeff	X	Diploma - Collision/Refinishing Technology	1/1986	WyoTech	35	Collision Repair I, Collision Repair II, Refinishing I, Refinishing II
Roth, Mark	X	Associate - Automotive Service	05/1978	North Iowa Area Community College	9	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Shuster, Bryan	X	Associate - Auto Mechanics	06/1977	Southeast Community College	21	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II, Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Performance Mechanical, Performance Electronics, Drive Train, Cab and Chassis, Powerplants and Electrical, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks I, Diesel Advanced Technology Education for Mack Trucks and Volvo Trucks II
Steele, Todd	X	Diploma - Diesel Technology w/Motorsports Chassis Fabrication	06/2013	WyoTech	6	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced Diesel II
Steinbock, Bryan	X	Associate - Diesel & Instructional Technology	02/2011	WyoTech	7	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
Stibitz, Larry	X	Work Experience	N/A	N/A	34	Performance Mechanical, Performance Electronics
Stone, Paul	X	Associate - Diesel Technology Bachelor of Science - Wildlife and Fisheries Science	05/1997 05/1992	Laramie County Community College University of Tennessee	5	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Svalina, Randy	X	Associate - Collision/Refinishing & Upholstery	10/1998	WyoTech	14	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Collision Repair I, Collision Repair II, Refinishing I, Refinishing II, Basic Street Rod, Advanced Street Rod, Performance Mechanical, Performance Electronics

Faculty Name	Full Time	Highest Degree Earned	Year Earned	Institution	Years of Work Experience	Subject areas approved to teach
Walters, Colin	X	Diploma - Collision/Refinishing & Upholstery Technology with Motorsports Chassis Fabrication and Street Rod & Custom Fabrication Bachelor of Science - Mechanical Engineering	12/2021 12/1999	WyoTech Washington State University	20	Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II, Accounting and Financial Management, Computers and Business Applications, Communications, Management Concepts, Human Resource Management, Shop Management
Williams, Brad	X	Diploma - Motorsports Chassis Fabrication w/Diesel Technology	6/2010	WyoTech	13	Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, Advanced Diesel I, Advanced II
Woodburn, Melissa	X	Diploma - Motorsports Chassis Fabrication w/Collision/Refinishing Technology Associate - Art	09/2011 05/2000	WyoTech Butler County Community College	6	Collision Repair I & II, Refinishing I & II, Basic Street Rod, Advanced Street Rod, and Motorsports Chassis Fabrication I & II.
Woodburn, Scott	X	Work Experience	N/A	N/A	20	Basic Engine Management Systems, Drivability Diagnostics, Drivetrain Systems, Chassis, Fluid Power and Electrical Systems, Engines, Engine Management Systems and Refrigeration, Powertrains, and Motorsports Chassis Fabrication I & II.
Zimmerman, Jerome	X	Diploma - Collision/Refinishing Technology w/Street Rod and Custom Fabrication	6/2001	WyoTech	19	Basic Street Rod, Advanced Street Rod, Collision Repair I, Collision Repair II, Motorsports Chassis Fabrication I, Motorsports Chassis Fabrication II
