

Student Right to Know and Other Outcomes Information

2022 Annual Retention Disclosure

The retention rates are calculated using the IPEDS formula for students who enrolled from August 1, 2022, through October 31, 2022, and then looking at the student status of that cohort as of August 1, 2023. IPEDS collects the information on both first time full-time and first time part-time students.

FT Cohort	Enrolled + Grad	FT Retention	PT Cohort	Status 2021	PT Retention

Graduation Rates

As of July 1, 2024, the graduation rate for students who began their post-secondary training at our school from September 1, 2021, through August 31, 2022, and for whom 150 percent of the normal time for program completion elapsed as of August 31, 2024, is presented in the following calculations:

Of the **818** students who began school, **0** students were qualified for an exclusion from the cohort. Of the **818** students, **698** completed their coursework and graduated within the allowed timeframe. Therefore, the school's graduation rate for those students is **85** percent.

Please see the next page for the percentages on gender, ethnicity, Pell Grant recipients, subsidized Stafford loan recipients, and students who did not receive either a Pell Grant or a subsidized Stafford loan.

Student Right to Know and Other Outcomes Information

Please Note:

1. Graduation rates do not include students who left the school to serve in the armed forces, on official church missions, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
2. Graduation rates include first-time, full-time students only. A first-time student is defined as a student who is entering college for the first time during that cohort period.
