### Update Training
WyoTech graduates, in good standing, may return to complete Update Training course(s) at no additional tuition charge. Update Training is offered on a space-available basis, provided the student's graduate program is still currently offered. Graduates may not request Update Training prior to two years after graduating from the program. Graduates must be in good standing, which includes all prior school charges that have been paid, and if the graduate was a recipient of Federal loans, the graduate must be current in all loan obligations. A request for an Update Training course must be addressed to the Registrar's Office and approved by the Director of Education or designee. Update Training is not valid for grade or certification purposes, and the student will not receive a transcript, grade, or attendance for the portion repeated. The graduate is required to pay a $100 fee for each course requested, plus any applicable fees for course-related materials. The graduate is also required to pay a fully refundable Tool Deposit prior to the start of the term. If the student elects to cancel their enrollment in an Update Training course or courses prior to the start of the term, a full refund will be issued within 30 days of cancellation. However, if the graduate elects to withdraw from Update Training courses after physically attending any portion of the course or courses, no refund will be issued apart from any unused Tool Deposit. The student is expected to adhere to all school policies and requirements such as attendance, professionalism, and the Good Neighbor Policy.

**Minnesota:**
For the purposes of this section, "student" means the party to the contract, whether the party is the student, the student's parent or guardian, or other person on behalf of the student.

If your application is rejected, you will receive a full refund of all tuition, fees, and other charges. You will be entitled to a full refund of tuition, fees, and other charges if you give notice that you are canceling your enrollment within 5 days of being accepted into the school or program.

This five-day refund policy applies regardless of when the program starts. If you give notice more than 5 days after being accepted into the program, but before the start of the program (or first lesson for an online distance education program), you will receive a refund of all tuition, fees, and other charges minus 15%, up to $50, of the total cost of the program.

If you withdraw after the start of your program and it has been more than 5 days after you were accepted into your program, you will receive a prorated refund of the entire cost of your program based on your last day of attendance. You will be provided with a prorated tuition, fees, and other charges refund minus your initial application fees, up to $50, and minus the less or 25% of the total tuition or $100. Proration is based on whether your program is term-based or clock hours, and how much of the program you have completed.

If your program is term-based, the completion rate is the number of calendar days from the first date of the program through your last documented date of attendance divided by the length of the program. The completion rate is calculated to the second decimal point (.XX). If your program is clock-hour based, the completion rate is the number of clock hours you attended divided by the number of clock hours in the program. The completion rate is calculated to the second decimal point (.XX) If you withdraw from your program after 75.00% of the program has been completed, you are not entitled to a refund of tuition, fees, and other charges.

You will receive written notice acknowledging your withdrawal request within 10 business days after receipt of the notice, and you will receive a refund of any tuition, fees, and other charges within 30 business days of receipt of your withdrawal. Any mailed notice is effective on the date of the postmark if sent by mail, or on the day it is hand-delivered to the school. Notice to withdraw may also be given by email or verbally, including a voicemail, to a school official (defined by the school's Student Right to Cancel policy).
